

General information

The journal “The Pulmo-Face” is the official publication of the Institute of Pulmocare & Research, Kolkata, a non-profit organization dedicated for research, education and patient care. It is the continuation of the bulletin “The PulmoFace”, the same official publication of the institute.

The journal includes scientific articles on pulmonary medicine and related sciences including surgery, applied and fundamental research, intensive care, sleep medicine, imaging, occupational health and others.

SUBSCRIPTION INFORMATION:

As such, the journal is distributed free to the fraternity. The editorial office may decide a subscription fees soon in order to cater to the rising cost of publication. The journal is mailed to about 3500 doctors across the country. It is also available at the website of the institute. The E-version is going to be in vogue soon.
