Dr. D.J. Christopher
Dr. Dharmesh Patel
Dr. Parvez Kaul
and other renowned faculty members

The story of Pulmocon

Pulmocon 2014 is the 12th Pulmocon in a row. This annual national level pulmonary update started in the year 2003 and has been gaining appreciations over the years. So far, it has been graced by many national and international faculty members.

Pulmocon 2013 had already received CME points from the Medical Council and got the endorsements by the ACCP (American College of Chest Physicians).

We hope that Pulmocon 2014 will also match the previous Pulmocons.
