The Story of PULMOCON

Pulmocon - 2017 is the 15th Pulmocon in a row. This annual national level pulmonary update started in the year 2003 and has been gaining appreciations over the years. So far, it has been graced by many famous national and international faculty members. Pulmocon has been receiving CME Credit points from the 2012 onwards. We hope that Pulmocon 2017 will also match the previous Pulmocons.
