The Story of PULMOCON

Pulmocon - 2018 is the 16th Pulmocon in a row. This annual national level pulmonary update started in the year 2003 and has been gaining appreciations over the years. So far, it has been graced by many famous national and international faculty members. Pulmocon has been receiving CME Credit points from the 2012 onwards. We hope that Pulmocon 2018 will also match the previous Pulmocons.
