From the Secretary's Desk

Friends and colleagues, it gives me immense pleasure to welcome you all for the Summer Symposium 2026. This year we have decided to have detailed interactive sessions on Sarcoidosis. The program will be beneficial to residents and consultants alike. We have brought eminent figures from pulmonary and other specialists together under one roof. I wish all of you have a fruitful learning.

Dr. Parthasarathi Bhattacharyya
Founder Secretary,
Institute of Pulmocare & Research
